

Vienna Memories

My Experience at **Actilingua Language Academy!**

by Amanda Cornwall

Introduction.

The time I spent at Actilingua Language Academy in Vienna was one of the best in my life. I had so much fun and learned more than I could have imagined. It was an amazing time.

Making Friends

I met so many great people, from the students to the instructors to the staff and even people in Vienna and Austria! There were so many interesting people attending Actilingua. Making friends was easy and fun.

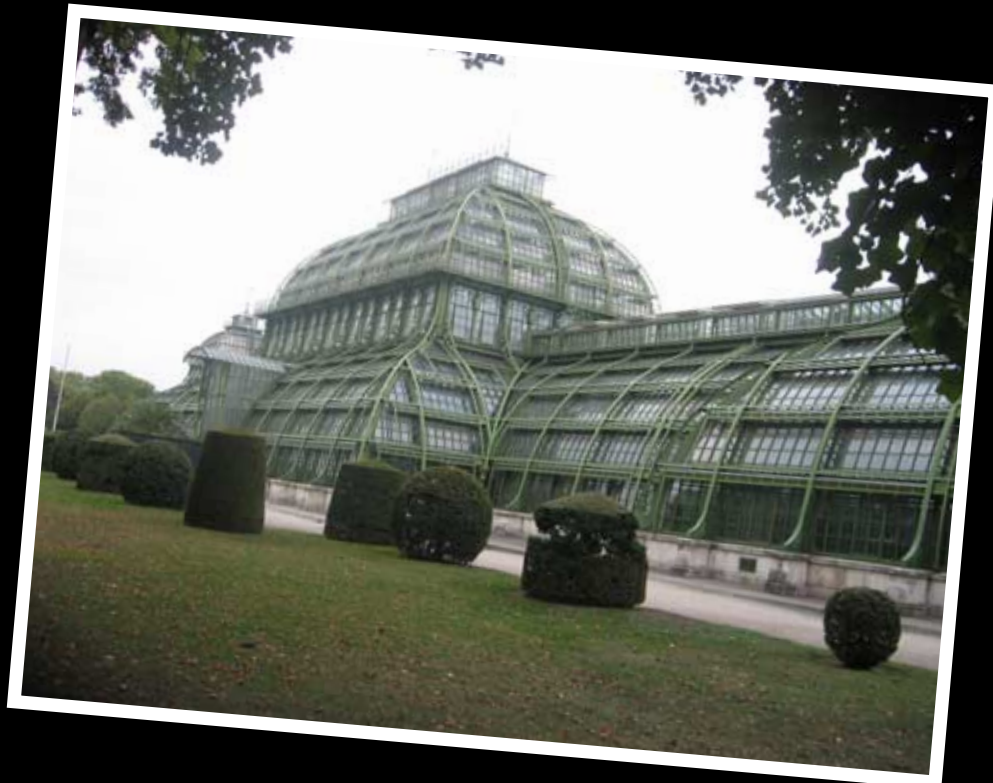

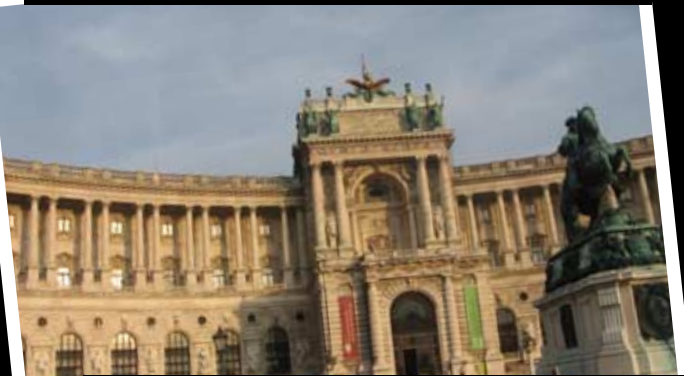

A Night To Remember

Going "out on the town" was quite an adventure!

Vienna

I think it could be considered the world's most beautiful city!

I love the culture, architecture, arts...

Feeling at Home in Vienna

**As an American whose favorite band is the Irish band U2;
there were some places in Vienna that were funny to me!**

I loved Vienna's many cafés...

Austria

*With my Austrian friends, I was
on top of the world!*

...and Beyond!

I visited my Hungarian friend in Budapest, and also took a jaunt to the Dolomites of Northern Italy.

Alles Liebe und Auf Wiedersehen!

Thank you, Actilingua, for the time of my life! I will never forget my days in Austria and Vienna!
