### Can I also participate in this programme if I have a low level of German?

You can take music lessons with very little knowledge of German.

### What kind of education do teachers at the Conservatory have?

Teachers have very good pedagogical training and are very well qualified in their field.

### How and when can I take part in a rehearsal of the orchestra and/or chamber ensemble?

In order to take part in rehearsals of the orchestra or chamber ensemble, you should master your instrument very well and start your programme at the beginning of September. You can take part in a rehearsal of the orchestra or chamber ensemble directly when you arrive in Vienna. The director of the Conservatory decides if your command of the instrument is sufficient to take part in the rehearsal on a regular basis.

### What are the requirements to attend your German and Music programme?

The programme is for people fond of music, who already master one instrument or devote themselves to singing, either as professional musician or as an amateur.

### I play a certain instrument/I am a singer. Does the Conservatory offer suitable tuition for me?

The Conservatory offers highly qualified tuition for all common musical instruments as well as vocal training. You will learn the name of your teacher on the first day at ActiLingua.

### Can I rent / borrow an instrument?

Generally, it is not possible to rent a musical instrument at ActiLingua for the duration of your stay. You can always contact a local store and negotiate an individual deal. However, if possible we recommend that you bring your own instrument.
