

German & Work Experience

ActiLingua offers German courses in combination with paid or unpaid work experience. The programme is divided into two parts. First you attend a preparatory German course in Vienna for at least 4 weeks. This is followed by a work placement lasting a minimum of one to two months at a carefully selected Austrian company, e.g. hotel, restaurant, travel agency, import/export company or ski school.

German Preparation Course

The German course takes place in Vienna. In 20 or 30 lessons/week you improve your communication skills.

Lessons in grammar and conversation help you with syntax and vocabulary building. You practice formal and informal letter writing and work on listening and reading comprehension.

LESSONS: 25 or 35 lessons/week.

German course (20 or 30) + cultural/special interest classes (5). 1 lesson = 45 minutes
