Vienna

Vienna is a unique blend of history and modernity with culture and tradition. It is a city that can cater to almost every taste with an excellent mix of art, music, architecture and entertainment. Imperial sights, museums and art collections boast treasures of art, a packed cultural calendar, a long tradition of music (Mozart, Strauss, Beethoven, Schubert, Vienna Philharmonic Orchestra and a lively youth music scene), along with excellent theatres and concerts that attract a diverse and international audience. Vienna can look back on a long history of hospitality. It is a particularly multicultural city and the people are very friendly and welcoming. Vienna has ranked number 1 in Mercer’s worldwide survey on quality of life in 231 cities for the 8th time in a row.

German course

Lessons take place at ActiLingua Academy’s school for adults 16+, a modern school with bright, welcoming and tastefully furnished classrooms in a typically Viennese Art Nouveau building. 10-15 additional classrooms are available next door at the ActiLingua-Dependance Sacré Coeur. The school is centrally located in Vienna’s embassy district opposite Schloss Belvedere. The city centre is reachable in 15 minutes by public transport.

The main emphasis is placed on improving written and oral communication skills in a friendly environment, using both specialised textbooks and various electronic devices. Each group is taught by two or three teachers per day in order to ensure more varied and stimulating instruction, due to each teacher’s individual teaching style, personality and pronunciation of modern German.

German in Austria

The language spoken in Austria is German. It is a correct and pure form of German, which is melodious and pleasant to the ear. At ActiLingua Academy you learn standard German according to a recognized curriculum.
