But when the classes are done, the real fun begins! ## Vienna Week 1

### Art, Taste & Imperial Vienna

#### MEET & GREET AND CITY TOUR: "VIENNA AT FIRST GLANCE"

What better way to kick off your Vienna adventure than with a classic coffee house visit? Over a Viennese Melange and a slice of Sachertorte - or maybe something sparkling - you get to know your fellow travelers while taking in views of the opera. Then, enjoy a relaxed stroll through the historic old town with a seasoned guide who will show you Vienna's most beautiful squares and hidden gems. Even locals sometimes miss them!

#### AN EVENING OF MUSIC, OPERA OR THEATER

After an inspiring morning of German lessons, the evening is dedicated to Vienna's world-famous performing arts scene. Depending on the season, availability and programme edition, participants may enjoy an opera performance, a classical concert at one of Vienna's renowned concert halls such as the Musikverein or Konzerthaus, or an atmospheric theater evening.

Whether it is Mozart, Strauss, Verdi or contemporary stage culture, this evening offers a memorable glimpse into Vienna's rich artistic tradition. To round off the experience, the group may enjoy a stylish drink or relaxed conversation in one of Vienna's elegant cafés or hotel bars.

This programme item is curated according to the season and cultural calendar, with a focus on quality, atmosphere and an authentic Viennese evening experience.

#### ART & VIENNESE SAUSAGE STAND CULTURE

Vienna's art collections are among the city's greatest treasures. Depending on the season, exhibition programme and availability, participants may visit the Albertina or the Kunsthistorisches Museum with a knowledgeable guide, discovering masterpieces from different periods and gaining a deeper insight into Vienna's cultural heritage.

After the museum visit, the experience continues with a very Viennese tradition: the sausage stand. Recognised as part of Austria's intangible cultural heritage by the Austrian UNESCO Commission, the Wiener Würstelstand is much more than a quick snack, it is a social meeting point where opera visitors, students, night owls, locals and sometimes even politicians stand side by side.

## Vienna Week 1 Art, Taste & Imperial Vienna

### VIENNESE EVENING CULTURE

A Vienna evening can take many forms: a traditional Heuriger with regional food and Austrian wine, a relaxed dinner in a historic local institution, or a lively visit to the Prater with its unmistakable atmosphere.

Depending on the season, programme and availability, participants enjoy a curated evening that reflects Vienna's social and culinary culture, informal, charming and full of local character. Whether the evening leads to the vineyards, a beloved Viennese tavern or one of the city's iconic leisure spots, it offers a memorable way to experience Vienna beyond museums and concert halls.

### DAY TRIP TO THE WACHAU

Leave the city behind and discover the Wachau, one of Austria's most beautiful cultural landscapes. Famous for its vineyards, charming villages and views along the Danube, the Wachau offers a wonderful contrast to Vienna's urban elegance. A special highlight may be a visit to Melk Abbey, one of Austria's most impressive Baroque landmarks, overlooking the Danube from its magnificent hilltop setting. Depending on the season, weather and availability, the day may also include a visit to Krems or another historic town, a relaxed Danube boat ride, regional specialties or a glass of Wachau wine.

This excursion combines Austrian history, landscape, culinary culture and relaxed discovery, a memorable experience beyond Vienna.

### A DAY IN SCHLOSS SCHÖNBRUNN PARK

Schönbrunn is one of Vienna's most iconic places,— a former imperial summer residence, surrounded by magnificent gardens, history and wide views over the city.

Depending on the season, programme and availability, participants may explore the palace, stroll through the park or enjoy coffee and cake in one of the historic cafés nearby. The Gloriette, with its beautiful view over Vienna, may be part of the experience and offers a memorable setting to take in the atmosphere of this UNESCO World Heritage Site.

This programme item combines imperial history, relaxed discovery and one of Vienna's most elegant cultural landscapes.

## Vienna Week 2

### Art, History & Music

#### MUSIC BEHIND THE SCENES

Vienna is known as one of the world's great music capitals, but its musical heritage is not only found in concert halls. This experience offers a different perspective on the city's deep connection with music, through places, stories and personalities that shaped Vienna's cultural identity.

Depending on the season, programme and availability, participants may visit a music-related museum, explore a composer's residence, follow traces of Mozart, Beethoven, Schubert or Strauss, or discover a carefully selected musical landmark in the city.

#### ART & DEMOCRACY AT THE AUSTRIAN PARLIAMENT

Discover the Austrian Parliament from a different perspective: not only as a place of politics and democracy, but also as an impressive space of architecture, symbolism and art. During a guided art-focused visit, participants explore how history, political identity and artistic design come together in one of Vienna's most important public buildings. From the restored historic interiors to contemporary artistic elements, the Parliament offers a fascinating insight into Austria's democratic culture and the visual language of political representation.

#### BELVEDERE & VIENNA'S GOLDEN MODERNISM

Discover one of Vienna's most elegant cultural landmarks: the Belvedere, a magnificent Baroque palace complex and home to one of Austria's most important art collections. This experience opens a window into Vienna around 1900, a time of artistic innovation, elegance and cultural change. Participants encounter the world of Gustav Klimt, the Wiener Moderne and the creative atmosphere that shaped Vienna's modern identity. Depending on the exhibition programme and availability, the visit offers a refined combination of art, architecture and history, from imperial surroundings to the golden glow of Austrian modernism.

#### A FAREWELL EVENING WITH VIENNESE CONVERSATION

All good things must come to an end, but in Vienna, even a farewell can feel special.

The final evening is designed as a relaxed and memorable closing moment. Instead of a formal programme, the group comes together for a carefully selected dinner in a Viennese restaurant, with time for conversation, reflection and shared memories from the programme.

It is a warm ending to two weeks of language, culture and discovery, and a final opportunity to experience Vienna through its hospitality, atmosphere and social rhythm.
