This special program is designed for students who live with their family or friends in Vienna and therefore do not stay on campus.

At our ActiLingua Academy Summer School, you'll learn German in one of Vienna's most prestigious schools: the historic Theresianum, founded by Empress Maria Theresa. Today, it's a modern, welcoming campus in a prime location, just minutes away from Vienna's most famous sights. Spacious classrooms, excellent sports facilities and a huge park right on campus offer the ideal setting for learning and relaxing. After class, our teachers lead a fun and active leisure program, from beach volleyball and football to city walks and cultural highlights. Make friends from around the world, explore Vienna and improve your German.
