SUMMER SCHOOL

Infosheet

German lessons take place **from Monday to Friday** in small groups of up to 15 students, creating a supportive and interactive learning environment. In addition to the language classes, students take part in a varied **afternoon** and **evening programme** that allows them to discover Vienna, experience Austrian culture, and spend time with other international students. Our experienced team leaders organise a wide range of activities both on campus and throughout the city.

What is “Group Time with your Team Leader”?

Group Time with your Team Leader is an important moment of the day where students meet with their **small group** and their dedicated **team leader**.

During this time the team leader **explains the programme** for the day and the upcoming activities, **answers questions**, and makes sure everyone feels comfortable and well informed. It is also a space for students to **share feedback**, **ask for support**, and **connect** with their group.

Each team leader looks after a group of around **12-15 students** and accompanies them throughout their stay, ensuring a safe, supportive and well-organised camp experience.

These include **Core Activities**, which are part of the regular programme and offer cultural, social, and creative experiences, as well as optional **Premium Activities**, such as special excursions, cultural highlights, and unique experiences in and around Vienna.

Evenings and weekends offer plenty of **exciting opportunities**, from exploring Vienna and visiting cultural landmarks to sports, games, creative workshops, and memorable excursions. It’s the perfect way for students to make new friends, discover the city, and enjoy an unforgettable summer experience.

Core Activities

Core Activities are **included in the programme** and offer a wide range of cultural, social and creative experiences. Students can choose which activities they would like to participate in. They include a wide range of activities such as city walks, museum visits, karaoke, disco nights, a waltz course, movie nights, and many more.

Core Activities also include the **ActiHub**, a collection of on campus activities and workshops covering creativity, sport, and movement. Examples range from **creative workshops** such as crochet labs, painting sessions, DIY postcard workshops, and spray decorating T-shirts, to **sports and active games** like football, volleyball, basketball, indoor climbing, capture the flag, dance sessions, and yoga.

Premium Activities

Premium Activities are optional activities offered at an **additional cost**. The programme always shows the type of activity and its theme (e.g. a Full Day Excursion to Salzburg). For **full-day excursions** students receive a **breakfast package** before departure. Lunch takes place during the excursion and dinner is provided after returning to the campus. The prices of the Premium Activities are listed below.

- Full day excursions: **EUR 90**
- Half day excursions: **EUR 50**
- Culture Special activities: **EUR 30**
- Classical orchestra concert: **EUR 50**

Premium Activities are optional and have **limited places**. They can be **booked in advance** or **directly on site**. Places are allocated on a first-come, first-served basis, therefore we recommend booking as early as possible to secure participation.
